

KANKAKEE YMCA SUMMER CAMP CCR&R GUIDELINES

Dear YMCA Families,

We are excited that you have chosen the Kankakee YMCA Summer camp Program to serve your childcare needs.

Please see the below guidelines for CCR&R. You must sign and return this form to the director:

- If you have a pending CCR&R case, you are responsible for 25% of the total weekly registration fee. (Or \$50 per week if 25% of the total weekly fee is less than \$50.) Payments will be scheduled the Thursday before the registration week. (For example, if the child is registered for the first week of camp, payment for that week will be deducted the Thursday before on June. 6th.)
- If CCR&R approves the application all of your weekly payments will be applied to your copays. If there are any remaining credits those will be either refunded to you or used as a system credit towards future copayments.
- Should CCR&R reject the application, payment for all months will be due in full immediately.
- If you withdraw your child from the program and re-enroll them at a future date we have a \$10 registration fee per camper. CCR&R does not pay for registration fees so that payment must be made before the child's first day.
- Your child must attend the program 75% of the time per week. You are allowed one vacation
 week per year. If your child does not attend 75% of the week for more than two weeks they will
 be withdrawn from the program
- An active credit card or bank account must be kept on file as payments are auto drafted.
- If a payment is declined by your bank or credit card there will be a fee assessed which will be added to your payment.
- Payment must be paid in full each month or your child will not be able to attend until payment is made in full. After one missed payment your child will be withdrawn from the program.
- Upon withdrawal from the program, payment must be made in full within 30 days or the balance will be sent to collections.
- CCR&R requests a renewal annually. You will receive a letter when a renewal is due. You must complete the renewal form and submit any information needed to our director Samantha Utter within two days of receipt of the letter. Should your CCR&R not be renewed by the expiration date you will be responsible for full payments until an approval letter is received.

If you have any questions please reach out to Mandy Minton at mminton@k3ymca.org.

FREQUENTLY ASKED QUESTIONS ABOUT CHILD CARE ASSISTANCE CHILD CARE ASSISTANCE PROGRAM OVERVIEW

1) Who is eligible for child care assistance from the state?

Effective Nov. 9, 2015, applicants included in the priority service groups are:

- A) Recipients of Temporary Assistance for Needy Families;
- B) Teen Parents enrolled full-time in elementary, high school or GED classes to obtain in high school degree or its equivalent;
- C) Families with a Special Needs Child;
- D)Working families whose monthly incomes do not exceed 162% of the most current Federal Poverty Level for their family size.

2) is there a waiting list for child care assistance?

To the extent resources permit, it is the intent of the Department to provide child care services to all applicants that meet the eligibility requirement set forth in policy. If its is necessary to limit participation to stay within the amounts appropriated or resources available to the Department for child care services, participation will be limited to the priority service groups specified in FAQ1,A,B,C and D. If these restrictions are in effect and you do not meet the guidelines, you will receive a denial notice at the time of application and notice to re-apply once guidelines are restored to standard policy.

3) How long can I continue to receive child care assistance?

There is no time limit. As long as you are income eligible, need child care to work or participate in an approved activity, your child(ren) continue to attend the approved provider and the age of the child(ren) is consistent with program guidelines, you remain eligible.

Your Approval Letter will list the first and last months that you are eligible for assistance. Before your approval period ends, you will have to renew your child care by filling out a "redetermination" form. This form will be automatically mailed to you. If you don't return your redetermination form and all required documents - OR- if you no longer meet the eligibility guidelines of the program, your case will be canceled.

4) If I receive child care assistance from the State will I still have to pay something?

The State requires all parents to pay a monthly "co-payment" directly to their provider. Monthly co-payments are based on gross monthly income and family size. The State will deduct the parent co-payment from the total charges up to the maximum child care rate. If the co-payment is more than the total charges, the parent pays the lesser amount to the provider and no payment is made by the State.

5) How can I find a child care provider?

You may call a parent counselor at your local Child Care Resource & Referral Agency (CCR&R) at 1-877-202-4453 (toll-free) to get help finding child care for your child. You must have a child care provider before you submit your application.

6) Will my information be verified?

Yes. Information submitted by the parent/guardian on the application and supporting documentation is verified through various agencies' databases and internet websites. Information from these databases and web sites will be taken into consideration when determining eligibility.

ELIGIBILITY CRITERIA

7) What does "income eligible" mean?

A family is considered income eligible when the combined gross monthly income of all family members is at or below the maximum income level for the corresponding family size. In two-parent families, both incomes must be combined to determine eligibility. Two-parent families include those with 2 or more adults living in the home, such as the applicant and his or her spouse or parents of a common child in the home. If due to lack of resources, restricted intake criteria is put into place, there may be different income level for approval based on whether this is a new application (intake) or a redetermination of, or change of information on a existing case.

8) Must I be the child's parent to qualify for the program?

No. A child's legal guardian or other relatives caring for the child are also eligible and should fill out an application form. Foster parents can receive child care assistance from the Illinois Department of Children and Family Services.

9) How old can the child be?

All children under age 13 are eligible. Children age 13 to 19 are eligible if they are under court supervision or have written documentation from a medical provider stating that they are physically or mentally incapable of caring for themselves.

10) Can I receive child care assistance for the time I travel to or from work or school/training?

Yes. You can receive child care assistance for reasonable time you spend traveling to and from your child care provider to your job or school / training.

Parent/Guardian Name:

11) What if my work schedule varies?

You may submit additional paycheck stubs and attach additional information to establish an average work schedule.

12) What if my child's other parent or stepparent lives in my home?

If the child's other parent or stepparent lives in your home, he or she also needs to be working or in school, training, or a TANF-required activity in order for you to receive a child care subsidy. The other parent or stepparent also needs to complete pages 4 - 6 of the application and submit the same kinds of documents as you do, which are listed in the application instructions.

13) When should I send my child to their child care provider and when should the child care provider start care?

Children should not attend child care prior to the approval notice unless the parent and the provider have a payment agreement plan in place until the approval/denial notice is received by both the parent and the provider. IDHS will not pay for any care provided before the case is approved.

CHOOSING A CHILD CARE PROVIDER

14) Does my child care provider have to be licensed?

No. Certain home child care providers are not required to have a license. A provider without a license must be at least 18 years old and may care for three (3) children including the provider's own children or may care for all of the children from a single household.

15) Will the State pay relatives to take care of my child?

Yes. Relatives can be paid to provide child care even if they live in the home with the child. Parents and step-parents cannot be paid as child care providers. TANF clients can be paid child care providers; however, earnings must be reported to their IDHS caseworkers. Exception: the State will not pay any relatives included in the child's TANF grant to care for the child.

16) Does the State do any kind of background check on child care providers?

In Illinois, all child care providers must undergo a background check. The background check consists of three parts: a CANTS check (Child Abuse & Neglect Tracking System/SACWIS), and other state child protection systems, or the National Registry, as appropriate a SOR check (Sex Offender Registry and the National Sex Offenders Registry as appropriate), and a criminal history record check which is done through fingerprinting submitted to the illinois State Police and the Federal Bureau of Investigation(FBI). Your provider will be required to have some or all of these checks. If care is done in your provider's home, anyone who lives in the home who is age 13 or older will also be required to be checked. There is no charge to the parent or the provider for the background check. Your CCR&R will tell your provider and their household members which checks they are required to complete.

PAYMENTS

17) Can my child care provider charge me more than my co-payment amount?

Yes, If your provider charges private paying parents a higher rate than the IDHS program pays, your provider can ask you to pay the difference by requiring a fee in addition to your co-payment. Be sure that you and your provider discuss what you are expected to pay before care for your child starts. If your provider's costs are too high for you, your CCR&R may be able to help you find a child care provider who is more affordable. Call them for help finding a new child care provider.

18) When will my child care provider get paid?

It can take 4 to 8 weeks for your provider to receive the first payment. After your provider receives the first payment, regular payments should arrive on a monthly basis. The reason the first payment takes longer is your provider's name and social security number must be recorded with the Office of the Comptroller before any payments can be made. To do this, the CCR&R will mail your provider a W9 tax form. The sooner he or she neatly completes and returns the W9 form to the CCR&R, the sooner he or she gets paid. After the Office of the Comptroller has your provider's information on file, we can send him or her the first "billing certificate." This is the form that you and your provider complete each month tell IDHS how much to pay your provider.

19) How can my child care provider expect to be paid?

Providers may choose to be paid by paper check("warrant") issued through the mail, Direct Deposit or through the Illinois Debit Card For more information regarding the Illinois Debit Card, go to the following web site:

http://www.dhs.state.il.us/page.aspx?item=45466 or contact your CCR&R.

To sign up for Direct Deposit, cell the Comptroller's Electronic Commerce Division at (217)557-0930 to receive an authorization form.

If you do not set up payments to go to a Debit Card or Direct Deposit, you will receive paper checks in the mail. Regardless of the method you chose, at least one paper check will be issued to you. Pursuant to Section 9.03 of the State Comptroller Act, vendors may be assessed a \$2.50 processing fee per paper check once they have issued more than 30 paper checks in the same fiscal year from the same state agency.

20) Can taxes be taken out of my child care provider's payment?

Child care providers are considered to be self-employed and taxes cannot be deducted from IDHS payments. This income is taxable and must be reported when filling federal and state income tax returns. The Office of the Comptroller sends out a 1099 tax information form after each calendar year to all individual providers that earn \$600 or more a calendar year.

21) How can I or my child care provider check status of payments?

Clients and providers can call the tDHS toll free phone number to find out payment information. - * Change Providers * Chang

23) is it required that I provide my social security number?

Social Security Numbers are not required at this time for child care eligibility and eligibility will not be denied due to your fallure to provide this information. Social Security Numbers are used to assemble research data sets that do not identify individuals and to verify income. Social Security Numbers will be disclosed for administrative purposes only and are confidential.

24) If I am a client or child care provider and I move, will my mail and checks be forwarded?

No, all clients and providers must fill out and submit a client/provider address form within 10 days of relocating.

25) How can I verify employment if I am self employed or cash paid?

A copy of the most recent, signed federal income tax return and all applicable schedules and attachments. After April 15th of each year, only the tax return for the previous year is acceptable. If the tax return was submitted electronically, you must provide a copy of the receipt in the absence of a signature. If a tax return is not available, a monthly statement of earnings and expenses must be submitted until an income tax return is submitted.

If you are paid in cash, a payment verification letter is required from each individual who pays you in cash for performing a service. You cannot write the letter yourself, it MUST be from the person who pays you.

All verifications must include the following information:

- 1. The name, address, and phone number, of the individual completing the letter;
- 2. The type of work performed:
- 3. Who performed the work;
- 4. The date(s) the work was completed or if the activity is on-going;
- 5. The rate of pay; and
- 6. The employee's schedule, If the expenses exceed the gross receipts, the self-employment income will be zero (-0-). Those additional expenses which exceed the gross receipts will not be subtracted from other earned or unearned income in the household. If the number of hours worked cannot be verified, the amount of child care services allowed shall not exceed the documented income divided by the current State minimum hourly wage.

Example: A parent reports that she cleans 5 homes per week and only earns \$100 per week. To calculate the number of hours/days to approve, divide \$100 by \$8.25 (State minimum wage effective 7/1/10) = 12.12 hours. Depending on the parent's actual work/transportation schedule, the parent could be approved for either: 1 full and 1 part time day, 2 full and 1 part day, or 3 part days of care.
