

# BEST SUMMER EVER

Kankakee Area YMCA  
2022 Summer Camp Guide

Registration available  
February 26th

# Welcome to Kankakee Area YMCA Day Camp!

**Jackie Turner**  
**Youth Director**

We can't wait to spend the summer with your child! The YMCA offers a summer camp that is like no other, with a focus on relationships, achievement and belonging! Your child will make new friends, be active and healthy, learn new skills, and above all, have fun.

Our camp counselors and directors look forward to working with your child this summer. All camp staff are certified in CPR and first aid. Our counselors also complete training which focuses on keeping children safe, helping children achieve, and giving children opportunities to belong. Counselors get to know each camper and help campers build strong bonds both with their peers and counselors. Our camp also offers water safety lessons to non-swimmers. If you feel your child would benefit from swimming and water safety instruction, please tell us on your child's camp registration form. We want all of our campers to be safe around the water!

Communication with families is important to us! Weekly newsletters help you stay up-to-date with activities, menus, and more.

## Camp Discover • .....

Camp Discover is our base camp for children ages 5 – 12 to experience a well-rounded, fun time at camp without any additional fees. Each week will have a new theme, from sports and knights to LEGOs and Olympics. Our campers will take part in activities throughout the week that are related to the theme, along with other camp activities like swimming, lunch, and games.

In addition to fun times at the Y, we still plan to partake in weekly field trips. The field trips are listed throughout the guide, but all are currently pending COVID-19 regulations.

During the week, campers can be dropped off from 6:30 – 8:30 AM and enjoy a breakfast as we start our day. After the morning activities, we will have a healthy lunch and finish the rest of the day's activities. Pick up from camp will be from 4:00 – 6:00 PM.

## • ..... • Specialty Camps

The Y's specialty camps are perfect if your child want to start experimenting or learning more about specific activities, sports, and more! Each week, we offer three different specialty camps. Campers enrolled in these camps will do all the typical activities with Camp Discover, but for two hours of the day, they will be on their own learning about or practicing that week's activity.

This year, we have a variety of educational camps, sports camps, and fun camps. Check out each week's specialty camp descriptions throughout the guide to find the best fit for your child!

## Preschool Camp • .....

The Kankakee Area YMCA offers a great preschool option for children ages 3 – 5. Children 5 years old may be enrolled in either Preschool Camp or Camp Discover; the Camp Director may decide whether the child is ready for a full day in Camp Discover. Preschool camp field trips may be different than field trips for Camp Discover and are subject to change. Parent chaperones are welcome and encouraged to participate on field trip days.

## Camp Shhh...

Camp Shhh... is our specialty camp designed for the more relaxed, quiet camper. We recognize that all children are different and have different needs and interests. Not all children enjoy large groups, or are into sports, or enjoy being on the go.

Does your child prefer to be alone or in small groups? Do they enjoy activities such as reading, writing, drawing, and painting? Then this is the perfect camp for them. We will focus on keeping children in small groups divided by age. This camp was designed for the needs of children who have an interest in the creative side of life.

Most of the weekly themes and all of the field trips for this camp will remain the same as Camp Discover, however the activities will be different. The activities in Camp Shhh.. will place an emphasis on reading, writing, journaling, researching, drawing, painting, and exploring the environment through the imagination.

Weekly Camp Shhh... activities are subject to change.

# Summer Forever

It's finally summer! Time for fun in the sun, swimming, sports, games, and fun with friends. We are kicking off the summer here at the Y with a week-long celebration! Some of this week's activities include a limbo contest, making homemade ice cream, and water balloons!

## FIELD TRIP Water Day at the Y

\*Pending COVID-19 Regulations

## Specialty Camps

### ART (AGES 5 - 12)

Are you creative? Do you love to draw, paint, and create? Then this is the camp for you! Learn different techniques, use new media, and create your very own masterpiece. This isn't just doodling; this is art to the max! At the end of the week, campers will host an art show to display their creations. Join us for this camp and discover your inner Picasso!

### DANCE (AGES 5 - 12)

During this fun-filled class, participants will be taught the proper techniques and movements of various dances. From ballet to hip hop, your child will be able to show off what they have learned. At the end of the week, they will be performing a dance routine.

### KARATE (AGES 8 - 12)

Campers will learn traditional Okinawan Karate. Our goal is for participants to learn discipline, gain confidence and build character. The program will be taught by 5th degree Black Belt and experienced Shorei Ryu Karate Instructor Dwight Bossong.

## Camp Shhh...

To kick off summer camp, campers will be choosing and decorating a journal that they will be using over the course of the summer! They will create summer themed crafts that will decorate the Y and show our excitement that summer is finally here!

## Out of This World

### FIELD TRIP

Museum of  
Science & Industry

Enjoy a week so fun it's out of this world! Campers will learn about the plants, stars, and everything space related. They will engage in activities like building rockets, making galaxy slime, and hunting for aliens!

\*Pending COVID-19 Regulations

## Specialty Camps

### SOCCER

Come to camp and kick it with your friends as you progress and show off your soccer skills. Campers will work on passing, dribbling, and shooting and will also get a chance to team up and play against each other. Don't miss out on this spectacular soccer camp.

### SPA

Sorry parents, this one is for the kids only! Come get pampered and learn how to make homemade facial scrubs, perfume, and lip balm. Get your nails and hair done all while focusing on each camper's inner beauty. Decompress and stretch your body through yoga and meditation. At the end of the week, campers will come home relaxed, pampered, and with a bag full of goodies.

### JUNIOR LIFEGUARD

Have you always wondered what it would be like to be a lifeguard? Want to learn about water safety and rescue skills? Jr. Lifeguard campers will learn rescue skills and how to respond in an emergency. This is not a certification class.

## Camp Shhh...

Come explore outer space! We will learn all about our solar system through books and stories. Campers will get creative and design their own planets. They will come up with the characteristics of their planet and then later design it!

# LEGOS

Are you a LEGO lover? You will love this week's theme! Kids will have a blast with LEGO-themed activities and working together to build a city. Each age group will have their own area of the city to build. At the end of the week, campers will merge their creations to complete YMCA city!

## Camp Shhh...

Campers will celebrate and reflect on the great summer we've had! We will create scrapbooks to showcase each week with all of our favorite pictures and projects.

## Leaders in Training

Are you looking for an opportunity to develop your leadership skills? Try becoming a volunteer "Leader In Training" (LIT). Throughout the summer we will focus on developing communication skills and helping you become a true leader. Fill out an application at our Member Service Desk. You will then get a call from the director to schedule an interview. LIT selection is based on both the application and interview. As a LIT, you are expected to model the four core values of the YMCA: Honesty, Respect, Caring, and Responsibility. The campers will look up to you and you need to take your position as a role model seriously. You are expected to perform unsupervised tasks around camp such as: setting up and taking down activities, preparing and serving snacks, and assisting counselors during activities.

### LIT PRICING

**Members**  
\$50/week

**Prospective Members**  
\$60/week

## How do I sign up for camp?

Signing up for any of the Y's Summer Camp options requires proper forms and documentation given to the Welcome Center prior to the camp's start. The appropriate forms in the registration packet can be found online on our Summer Day Camp page or in person at the Welcome Center. Please review the checklist below for a breakdown of where to find each required registration component.

All forms must be filled out and turned in before the Welcome Center can sign your child up for camp.

## Checklist Breakdown

### In registration packet

- Registration Form
- Bank Draft Authorization
- Summary of Licensing Standards for Day Care Centers

### Sign electronically at Welcome Center during registration

- Parent Handbook Acknowledgment
- Liability Waiver
- Attendance, Late Fee & Pick-up Policy

### Bring in from home

- Original Birth Certificate (Y can copy)
- Health Information (most recent school physical, even if older than 6 months, including doctor's signature and up-to-date shot records)

### Optional

- Custody Agreement/Court Order (if applicable)
- Medication Authorization (available upon request)

## Safety

Your child's safety is our number one priority. Our well-trained staff provide a high-quality camp experience day after day. All staff are certified in CPR/ AED and First Aid. For your child's safety, we require an authorized list of approved relatives and friends that may pick up your child. Anyone picking up a child must present photo ID and be on the authorized list for that child.

All children in Camp Discover and Specialty camps swim every day. Lifeguards are always on duty and we provide flotation devices. Each week a group of non-swimmers will receive 20 minutes of daily swim lessons and water safety.

## CCR&R

If a participant receives Child Care Resource & Referral, an approval letter and parent co-payment are due prior to the month the camper attends. If a parent does not have an approval letter with the YMCA as the provider, the parent must pay the full camp fees until their approval letter is received. The CCR&R subsidy covers Camp Discover only. Parents must pay the difference if interested in a Specialty Camp.

## Refund Policy

Refunds and credits will not be issued once camp begins on Monday morning. Your payment in full reserves a spot in camp and late changes may prevent another camper from being able to participate. If you have a medical note for absence, please see the Camp Director.

## Cancellation Policy

The YMCA reserves the right to cancel any camp due to low enrollment. A full refund will be made if this occurs. If you would prefer to transfer your child to another camp, the difference will be refunded or additional fees may apply.
